

Archway Montessori School

freedom • respect • independence

Dear Parents/Guardians

Thank you for choosing Archway Montessori School. We would like to give you, our valued families the opportunity to (re)enroll your child(ren) for the 2021-22 academic year.

Our fees will remain the same as they have been for this past school year. In spite of a very challenging year, we do not think it is fair to raise the fees. All of us have taken a hit over the last year and by raising fees, we would lock out even more families from accessing an affordable option for their child's care.

With all the uncertainty around the pandemic, the lack of vaccines for children, parents' rational fears of having their child exposed to the virus, etc., these last few months have been very difficult to say the least. We are currently operating at only 25% of capacity. It is our hope that we will be able to continue to keep our doors open for the upcoming school year. So far, government assistance has allowed us to operate but given that is supposed to end in June of this year, we worry about the future of the school and more importantly, the future of our students.

It is our hope that parents will continue to see value in the quality of care that we have consistently provided since opening our doors in 2010. Since re-opening after the total shutdown in March of 2020, we have been adhering to safety protocols and are happy to report that we have had zero cases of a child or staff member having been diagnosed with Covid-19. It is because our commitment to providing a safe, healthy and nurturing environment has never faltered and that has allowed us to keep everyone safe and healthy. Our students have not suffered an interruption in their learning unlike their peers in public schools.

We appeal to all parents to consider (re)registering with Archway where we are committed to providing a high quality education in a safe, clean environment. It is our hope to continue serving the community by keeping our doors open and the only way to achieve that is with your support.

I thank each and every one of you for trusting us with your children and for your unconditional support as we navigate through these trying times.

Ms. Neelam Parvana
